  - c) a clogged heater cap or heating chamber; or
  - d) too little vapour; or
  - e) a suspected problem with the tobacco sticks.

### § 3

#### SCOPE OF SERVICES

1. The User may come to any IQOS Store in order to be provided with the Service.
2. The service is free of charge.
3. The scope of the service includes:
  - a) diagnostics and checking the software (verification if the Device does not indicate errors, and if available, updating the software);
  - b) cleaning the Device (checking the charger and cleaning the heater along with the heating blade and the cap to get rid of any tobacco residues);
  - c) Device service (verification of the Device in terms of the amount of vapour when used with professional equipment);
  - d) assessment of the cap and free replacement (if during the service it is discovered that the cap on the Device has become too dirty or worn during use, it will be replaced free of charge).
4. The Service applies to Devices; however, the Service in relation to LiL Solid 2.0. does not include the service referred to in § 3(1)(a) of the Regulations.
5. The performance of the Service is each time reported and monitored in the System by the Organiser.
6. During the term of the Service, the User is entitled to express their will to use the Service. The condition for using the Service is the availability of the seller in the IQOS Store ensuring the performance of the Service, the need to ensure the proper performance of the Service by the IQOS Store, as well as following the instructions specified in § 4 of the Regulations.

7. Using the Service does not limit the User's rights under the law, including under warranty, manufacturer's warranty, and Extended Warranty.
8. The service is not limited.
9. The Service does not release Users from the obligation to use the Device properly, in a manner consistent with the instructions attached to the Device, with the PMPL-D materials made available, e.g. via the website [www.iqos.com](http://www.iqos.com), instructions relating to the Service, i.e. regular verification that the Device does not indicate errors, and if available, updating the software; cleaning the Device (checking the charger and cleaning the heater along with the heating blade and the cap to get rid of any tobacco residue).

#### § 4

##### INSTRUCTIONS FOR USERS IN CASE OF SUBMITTING AN APPLICATION

1. The User should submit an Application in accordance with the provisions of the Regulations.
2. In order to submit an Application, the User is obliged to provide the following data:
  - a) name of the User,
  - b) surname of the User,
  - c) Device number,
  - d) phone number, and/or
  - e) email address.
3. Having submitted the Application, the User is obliged to hand over the Device for the time needed to perform the Service (usually 30 minutes for one Device, in special cases the time of the Service may be extended, e.g. in the case of handing over a discharged Device). The indicated time of Service performance applies to the Service performance, it does not include service-related activities, such as e.g. waiting time for the performance of the Service resulting from the need to ensure proper performance of the Service by the IQOS Store.
4. Failure to perform the obligation specified in § 4(2) and (3) of the Regulations makes it impossible to perform the Service.
5. In the case specified in § 2(1)(d) of the Regulations, when a) the Device Number indicated in the Application is inconsistent with the Device Number found in the System, b) the User has not confirmed their identity and age, the Service will not be provided.

#### § 5

##### PERFORMANCE OF THE SERVICE

In connection with the Application, PMPL-D ensures, subject to § 5(3) of the Regulations, that certain activities are performed in accordance with the following schedule:

- a) acceptance and inspection of the Device;
- b) software update and advanced device diagnostics, excluding Lil Solid 2.0.;
- c) vapour flow tests, professional cleaning, verification of vapour flow in the Device;
- d) replacing the cap if necessary;
- e) final advanced diagnostics, warm-up and device reset;
- f) summary and release of the Device to the User;

- g) reporting the Service in the System.
1. To the extent covered by the Service, PMPL-D shall be liable for non-performance or improper performance of the Service, in particular for damage to or loss of the Device from the moment it is accepted by the seller of the IQOS Store until the Device is returned to the User, unless the Device is damaged for reasons attributable to the User.
  2. The replacement of the cap as part of the Service will be performed with the use of original parts, the use of which will not violate the User's rights under the Manufacturer's warranty, warranty or Extended Warranty.
  3. Upon receipt of the Device, the User should check the condition of the Device in the presence of the seller.
  4. In a situation where the Service indicates the occurrence of a Non-removable Defect, we inform the User about the possibility of exercising their rights (Manufacturer's Warranty, warranty or Extended Guarantee), if they possess such rights.
  5. The list of stores where the Service is performed is included in Appendix 1 to these Regulations.

## § 6

### PROCESSING OF PERSONAL DATA

6. PMPL-D shall be the Controller of Personal Data processed as part of the Service.
7. The processing of personal data shall take place in accordance with the rules laid down in Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation).
8. PMPL-D will process the following User data: name, device number, phone number, and/or e-mail address.
9. Users' personal data will be processed for the purpose of the proper performance of the Service, including contact with Service Users in matters related to the Service, consideration of any complaints related to the Service, as well as administration and maintenance of the technical and IT infrastructure used to perform the Service, which is the legitimate interest of PMPL-D.
10. The User shall have the right to access the content of their data, demand their rectification, deletion, limiting processing and the right to object against their processing, as well as the right to lodge a complaint with a supervisory body. The User also has the right to transfer personal data. The provision of data is voluntary, yet necessary for the achievement of the above described objectives.  
In order to exercise these rights, please contact us at: e-mail: [contact.pl@iqos.com](mailto:contact.pl@iqos.com) or by phone: 801 801 501 or (+48) 22 455 14 04 (call cost according to the operator's rates).

11. The provision of personal data is voluntary. The consequence of not providing personal data, providing incomplete or even partially untrue or incorrect personal data is the inability to provide the Service.
12. PMPL-D declares that the data of the Users will not be processed in an automated manner and will not be profiled.
13. Users' data may be transferred to PMPL-D's subcontractors, e.g. IT entities and entities authorised \_\_\_\_\_ by \_\_\_\_\_ law.
14. Personal data for the performance of the Service will be processed during the performance of the Service. In the event of a claim, we will store data related to the performance of the Service for the period of limitation of claims in connection with the determination, defence, and pursuit of claims, archiving data and documents, or responding to letters, applications, and requests.
15. Data of the Users are not transferred to third countries (i.e. outside the European Economic Area, including the European Union, Norway, Liechtenstein, and Iceland).
16. More information on the processing of personal data can be found in the Privacy Policy - full text available on the Consumer website (pmiprivacy.com)<http://www.igos.pcom/> and by contacting the Customer Service Center (call cost according to the operator's rates).
17. The User has the right to file a complaint with the supervisory authority (President of the Office for Personal Data Protection, ul. Stawki 2, 00-193 Warszawa; [www.uodo.gov.pl](http://www.uodo.gov.pl)).

## § 7

### COMPLAINT PROCEDURE

1. The User shall at any time during the term of the Service have the right to submit a complaint about \_\_\_\_\_ the \_\_\_\_\_ Services \_\_\_\_\_ rendered \_\_\_\_\_ by \_\_\_\_\_ PMPL-D.
2. The User may submit to PMPL-D a complaint regarding the Services provided by it by contacting the Customer Service Centre. In order to expedite the consideration of the complaint PMPL-D recommends to provide in the complaint a brief description of the reasons justifying the complaint and contact details of the User submitting the complaint.
3. The complaint will be handled by PMPL-D within 30 days from its submission.

## § 8

### FINAL PROVISIONS

1. All matters not provided hereunder shall be governed by the provisions of Polish law, in particular the provisions of Polish Civil Code.
2. Should any provision of the Regulations prove invalid or ineffective, the Regulations shall remain in full force with regard to the remaining provisions.
